The Tornado Staff Presents The 1957 Edition of the Tornado

Foreword

Many are the changes that have come about in our community in the past years, but none has been more steady nor more productive than the growth and changes in our school since 1913 when Sulphur High School graduated its first student. One quality, however, never changes, the pride that students feel when they say, "I graduated from Sulphur High." We of the TORNADO Staff sincerely hope that our little guide from one of the early graduating classes will help you enjoy the panorama of growth at Sulphur High School.

Dedication

It is with love and admiration that we, the TORNADO staff, dedicate this volume of the TORNADO.

It is but an humble effort to show our appreciation to one who has served the students as teacher, sponsor, guide and friend. Not only in her teaching of English and foreign language, but also in her faithful service to the school and its student body, she has been and still is a vital part of Sulphur High School.

We are proud to dedicate the 1957 TORNADO TO—

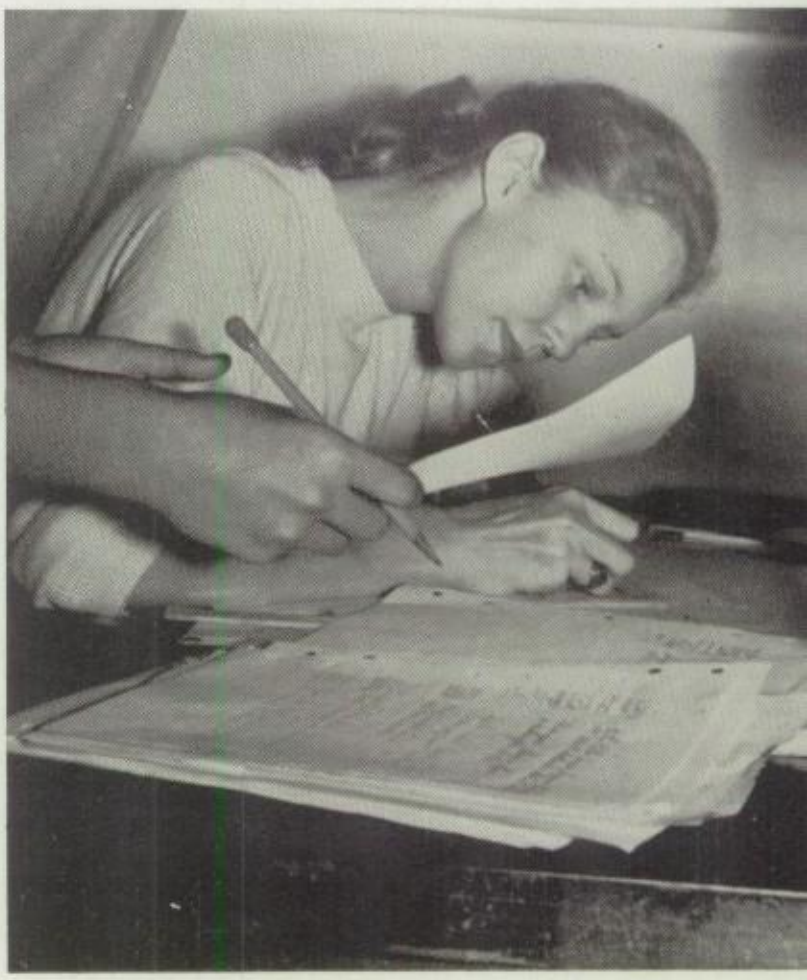
The biggest part of our schoo

Often the English Department is associated only with the courses in grammar, flavored with a touch of literature. However, it is found to be more complex beneath the surface. The Sulphur High department also offers courses in speech, debate, dramatics, and journalism.

The students are encouraged by the English Department to participate in state and national competition in speaking and composition.



fe is spent in the classroom

The challenging problems of the present and of the future have made us increasingly conscious of our American past and of our democratic heritage.

Our social studies curriculum is designed to give students a deep understanding of our country and of other countries, to help us to comprehend the significance of historical experiences, and to make history a live force in our everyday lives.

The foreign language department at Sulphur High School is very complete. Two year courses of Latin, Spanish and French are taught. These courses were selected for their educational and vocational values, the extent of their use, and cultural values to be gained by their study.

Here we study fundamental and advance

Because of our industrial environment and our ever increasing need for scientists, Sulphur High encourages study in the fields of science and mathematics.

Science courses offered include General Science, Biology, Chemistry, and Physics.

In the math department a student may take Plane Geometry, Solid Geometry, Trigonometry, Business Math, and two years of Algebra.

ourses to assure us a successful future

Homemaking is an important part in the life of a girl at Sulphur High School. As well as learning to prepare food and to sew a girl gains a wealth of useful knowledge in good grooming, child care, etiquette, entertaining, home nursing and nutrition.

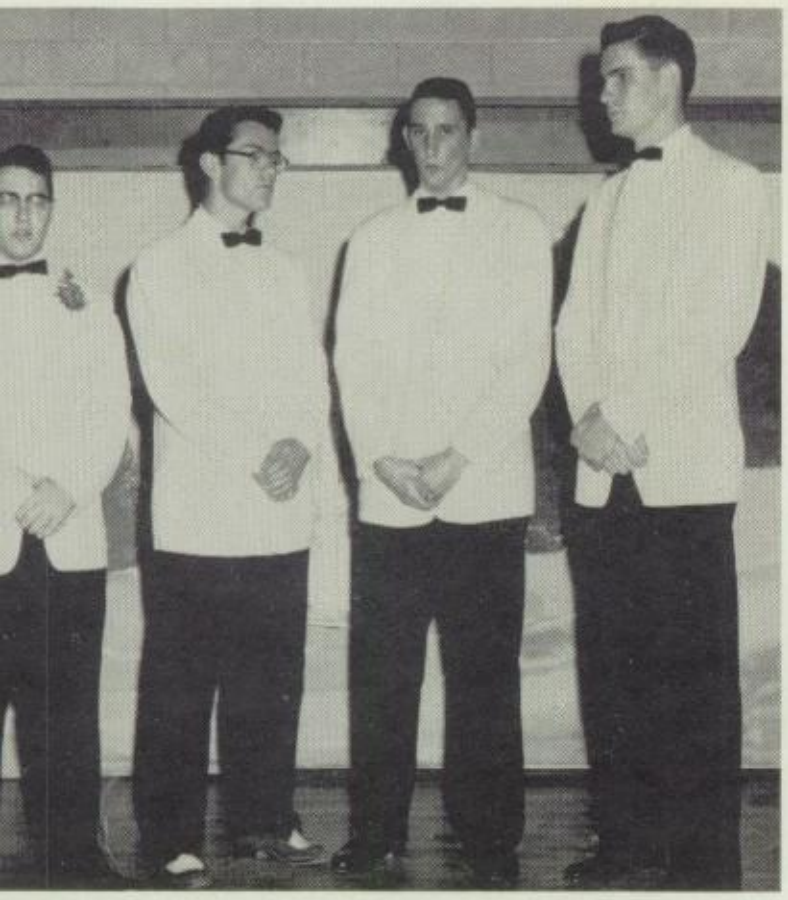
The outstanding success of the Sulphur Agriculture Department is evidenced by their winning "National Best Chapter Award" this year. The department boasts a 14 acre farm on the school campus where the boys are given an opportunity to raise pure bred cattle, sheep, and hogs; to maintain a state-approved hatchery; and to operate an experimental farm.

We acquire knowledge . . . skills . . .

A student in the COMMERCE DEPARTMENT becomes well informed and well trained in all phases of business education. Sulphur High School offers typing, bookkeeping, office practice, business math, and two years of shorthand.

Under the guidance of Mr. DeVille and in a well equipped shop, a carefully planned program of activities is carried out. Boys are trained in woodcraft, metal craft, and mechanical drawing, and are given an opportunity to further develope their talents.

. . . *culture* . . .



Music is big! This fact has been proven time and time again by the Sulphur High music department which is open to any musically inclined student.

A vital part of Sulphur High's activities is the Golden Tornado Band under the direction of Mr. Jack Richard. Mr. Richard can well be proud of this group. Besides participating in the music and marching festivals this fifty piece concert unit performs at football games, marches in parades, plays at pep rallies, and presents concerts for the public. The band department also boasts a twenty-seven piece cadet band for the purpose of training beginners.

The chorus, under the direction of Mr. Alvin Reynolds, does a fine job of entertaining at assemblies as well as participation in the various music festivals. Not to be overlooked is the boys' quartet which has become a well known organization in this area.

. . . *and a sound body* –

The Physical Education Department has many varied activities which are chosen in regard to human growth, development, and behavior. One primary goal of the Physical Education department is to stress co-operation and good sportsmanship.

Not to be forgotten . . .

A library full of knowledge, entertainment, and opportunity.

CAFETERIA HOSTESSES: Mrs. James Hoffauir and Mrs. Benoit, Mrs. Monceaux, Mrs. Pettijohn, Mrs. Cormier, Mrs. Roberts, Mrs. Hessifer, Mrs. Le Blanc.

The first Wednesday of the Month

Each month the students of either an individual class or a club presents an assembly program. These assemblies are many and varied, ranging from humorous skits to educational programs; from hillbilly music to the works of the great masters; from pep rallies to honoring those who have done outstanding work in any field.

The entire student body looks forward to the first Wednesday — ASSEMBLY DAY!

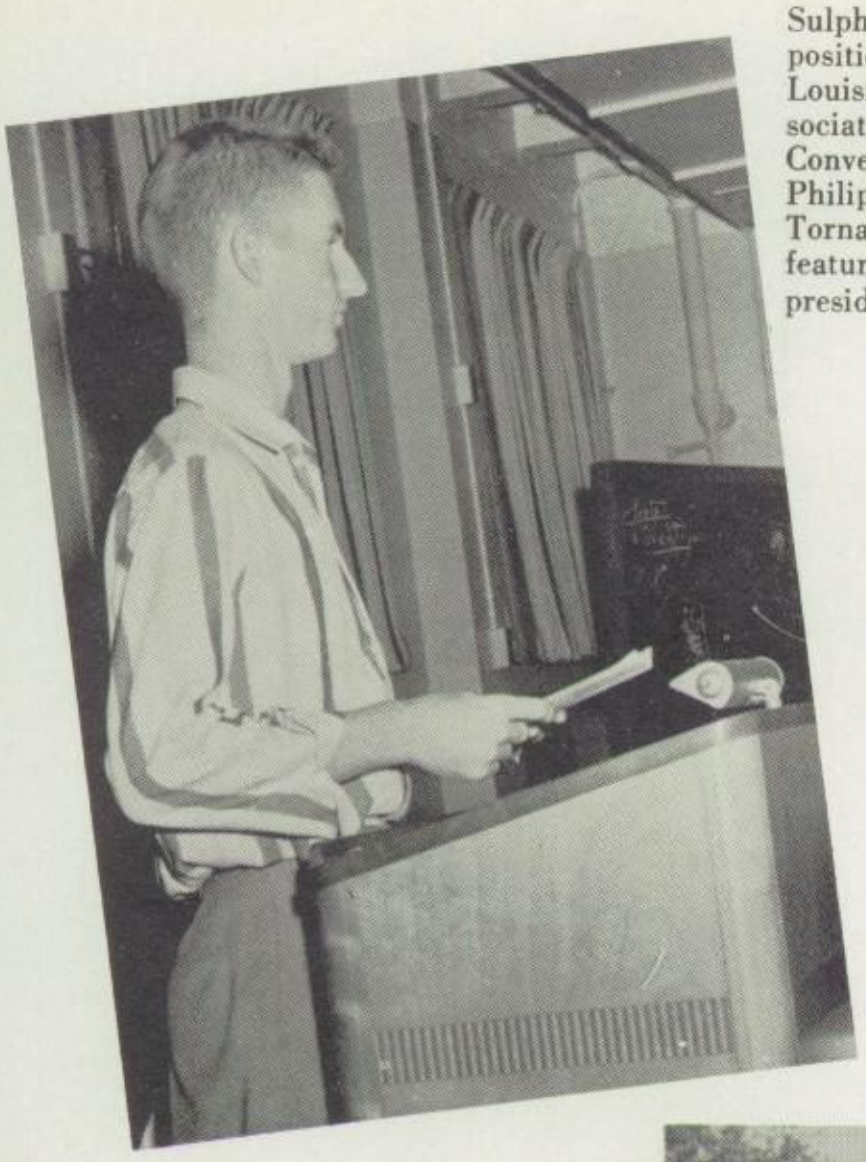
redit to the school

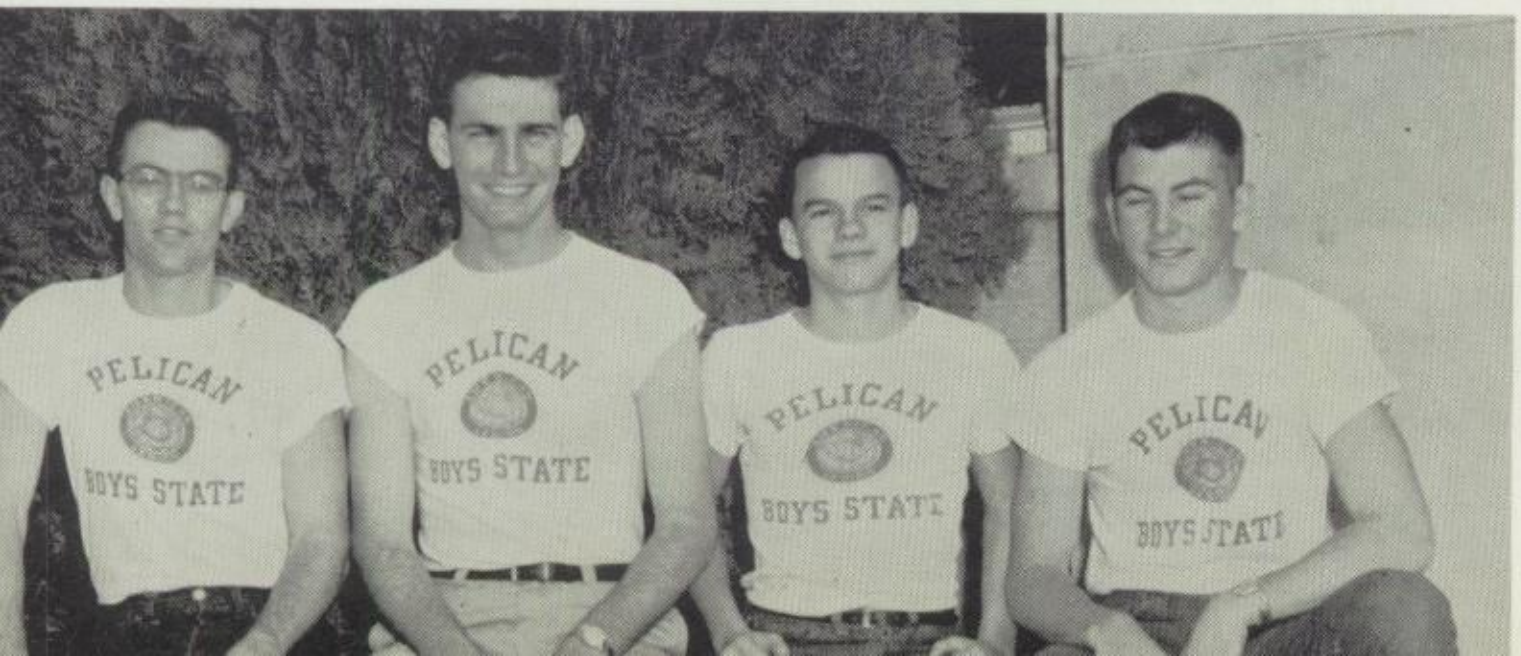


Sulphur High School held the position of president of the Louisiana Scholastic Press Association for 1956. At the State Convention in Baton Rouge, Philip Andrews, editor of the Tornado, and Barbara Dever, feature editor of the Cyclone, presided.

Pelican Girls' State and Pelican Boys' State are summer activities sponsored by the American Legion Auxiliary and American Legion respectively. The girls and boys are nominated by the teachers on the basis of leadership, scholarship, cooperation and character, and are then elected by the Junior Class.

Each group spends nine days in Baton Rouge participating in activities based on the government of the state. This is a mythical forty-ninth state.

Sue Whitaker, Shirley Gary, and Elizabeth Perry represented Sulphur High School at Pelican Girls' State in Baton Rouge during the summer of 1956.



Freddie McLemore, Jay Koonce, Bobby Martin, and Butch Hobbie attended Pelican Boys' State. Jay served as chairman of the Federalist Party and presided over their convention.

Dear Shirley,

I received the pictures you asked me to judge for you. As the girls were all so very good looking I had quite a difficult time trying to decide the top four. Finally, and with much difficulty, I decided upon the four which are numbered on the back.

I can't thank you enough for asking me to do this favor for you and I wish you all the luck in the world on your 1957 annual.

Shirley, may I now ask a favor of you? Do you possibly think you could see your way clear to send me a copy of the annual for my souvenir collection? Until I hear from you...I remain...

HOLY CROSS

With a great team effort on defense the Golden Tors opened the 1956 season with a 12-12 tie against a massive Holy Cross team from New Orleans. Twice the Tors came from behind to knot the score on the passing arm of Nolan Viator and the receiving of Ray Keever. Led by left guard Ralph Sonnier, the pass protection was the most outstanding feature of our offense.

BYRD

The Tors dropped their second game of the season to a strong Byrd High team that was later to become Bi-district champion of I and II AAA districts.

Relying once again on defense the Tors held the Jackets to one touchdown. Led by Paul Hynes and Morris Van the backfield was to be congratulated for stopping the Byrd backs from going all the way on numerous occasions. We were one of the few teams in the state to hold Byrd to such a close score.

In the third quarter the offense of the Tors moved the ball to the three-yard line but inability to sustain the drive cost us a touchdown that would have tied the game.

JENNINGS

The Sulphur Tors, in their opening district game, smashed the Jennings Bulldogs 40-0. The Tors capitalized on many Jennings mistakes in playing first class ball.

Doug Lanier provided the thriller in the game by intercepting a Jennings lateral and racing 80 yards for the fourth Sulphur touchdown.

Paul Hynes opened the scoring late in the first quarter by bouncing over from the two-yard line. Then in the second quarter, the Tors scored four times making the half time score 33-0. In that wild second quarter Nolan Viator passed 17 yards for one score to Fred Kressman, and scored himself on a 43-yard run. Just before the half John LaSalle intercepted a Jennings pass and went 70 yards for another score. The final touchdown came in the fourth quarter on a 19-yard pass from Richard Vice to Robert Beglis.

ORANGE

We played Orange, Texas, this year for the first time in the school's history. The outcome of the game indicated that this would be a great game year in and year out.

Both teams showed lack of offense but well balanced defensive units.

The Tors got their touchdown in the third quarter when Fred Kressman scored from four yards out. Douglas Lanier kicked what proved to be the winning point as the Tors went on to win 7 to 6.

NEW IBERIA

For the third straight week the Golden Tors came out on top as they swatted the New Iberia Yellow Jackets 23-0.

Tony Palermo scored our first touchdown from the four-yard line climaxing a drive of 95 yards. A few minutes later Captain Larry Viator broke through to block a punt in the end zone which raised our total to nine points. Hynes added six more points on a 20-yard dash just before the half to make the score 16-0. In the third period Paul Hynes added another score by taking in an eleven-yard pass from Nolan Viator.

Bubba Nelson kicked the final point to make the score 23-0.

ISTROUMA

In the third quarter the Istrouma Indians pushed across a lone touchdown that was enough to beat the Tors 6-0. Defensively the Tors did a fine job, led by Jack Hebert and Douglas Lanier.

The Indians later won their district and the right to represent their area in the state playoffs.

Wait for me! Hynes about to receive a key block from Lanier.

BOLTON

The Golden Tors bounced back to trounce the Bears from Alexandria 33-14. This was the second conference win for the Tors and a very deserving team victory.

The score at the half was 14-14 but costly errors by Bolton set up by an alert Tor eleven proved to be the Bears' downfall.

Hynes scored three times in this game, Nolan Viator once and Tony Palermo once.

Jerry Pollard, Bob Loomis, and Jack Hebert, along with Captain Glynn Howell looked good on defense. This game marked the first conference loss for the Bears and the second year in a row for the Tors to win their homecoming game.

LAFAYETTE

The Tors' new backfield combination of Viator, Palermo, Faulk, and Hynes led the Tornadoes to their third conference victory of the season. The linemen regained some of their old defensive form with the addition of Baker and Pollard to their forces.

Hynes scored three times and Palermo once as we came through with a 27-14 victory.

LAGRANGE

A fast-moving determined eleven from LaGrange High School moved the ball easily against the Tors to hand us our first conference loss 27-0.

The Tors were unable to mount an offense and the entire defensive team never played up to expectations.

This marked the first time LaGrange beat the Tors in 2 AAA competition.

LAKE CHARLES

Determined to bring a halt to the district reign of Lake Charges, the Golden Tornadoes played the most spirited game of the season, since the Holy Cross game. However, unable to sustain on five scoring opportunities, the Tors fell victim once again to a strong Lake Charles team that boasted of twenty seniors.

Final score was Sulphur 0, Lake Charles 27.

SOUTH PARK, IOWA, GILLIS, SULPHUR TRACK MEET

The Tors used depth in capturing a four-way meet from South Park of Beaumont, Iowa, and Gillis. The Golden Tors won six events, while South Park was winning seven, but the Tors had exceptional balance. The Tors grabbed at least two places in ten of the seventeen events on the program, winding up with 77½ points.

There were no double winners but Darrell Broussard and Harvey Nix turned in outstanding performances. Bruce won the half-mile in 2:05.4 and Nix took the high hurdles in :15.5. Scores: Sulphur 77½, South Park 69½, Iowa 35, Gillis 25.

Winners for the Tors were:

440 dash	Morris Van	:54.1
880 run	Darrell Broussard	2:05.4
High Hurdles	Harvey Nix	:15.5

Discus	Larry Viator	121' ½"
Broad Jump	Jim Ardoin	19' 4"

LAGRANGE, LAKE CHARLES, SULPHUR TRACK MEET

With the best effort of the year, the Sulphur track team sprang a cinder upset over rivals LaGrange and Lake Charles. The Tors scored 62½ points in winning the team title as LaGrange picked up 59 and Lake Charles 56½ points.

Two Sulphur athletes eclipsed the best previous recorded postwar performances in winning their specialties. Oliver Moss cleared the pole vault bar at 12 feet for the best Southwest Louisiana performance since World War II.

Another postwar best was turned in by Darrell Broussard who covered his distance in 2:02.3.

Jim Ardoin, our field ace, grabbed the broad jump and the hop step and jump. We won six first places but our superior depth was the deciding factor in the meet.

Our point earners were:

100 dash	Richard Vice	4th
220 dash	Jim Ardoin	3rd
440 dash	Morris Van	4th
880 run	Darrell Broussard	2:02.3

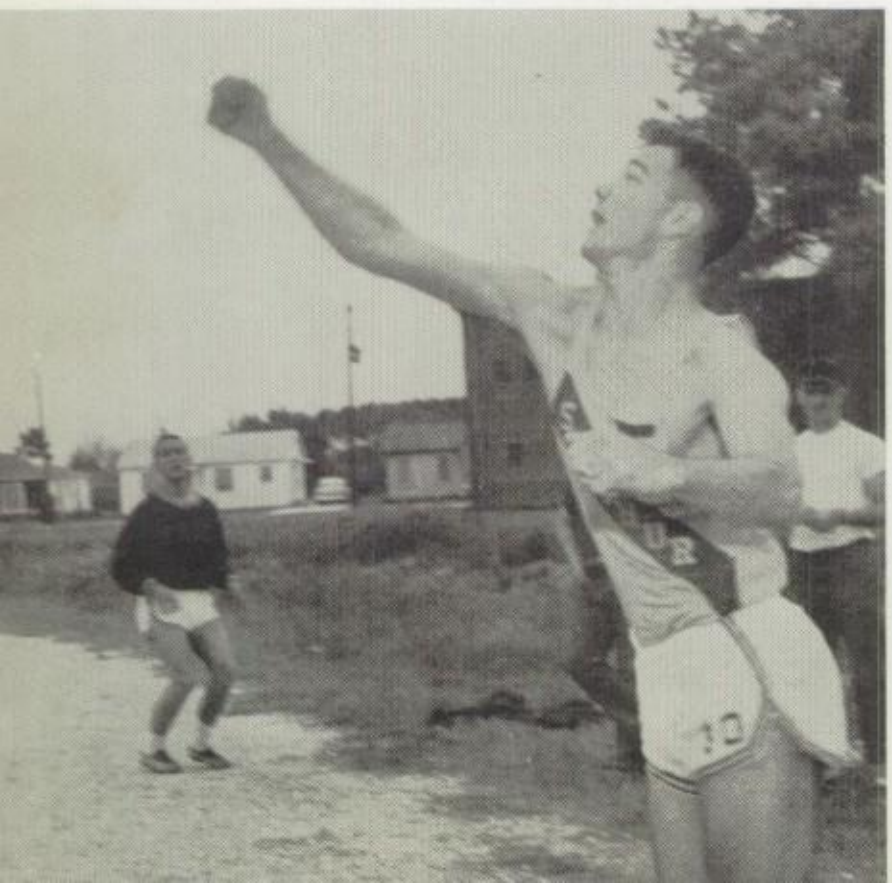
BYRD TRACK MEET

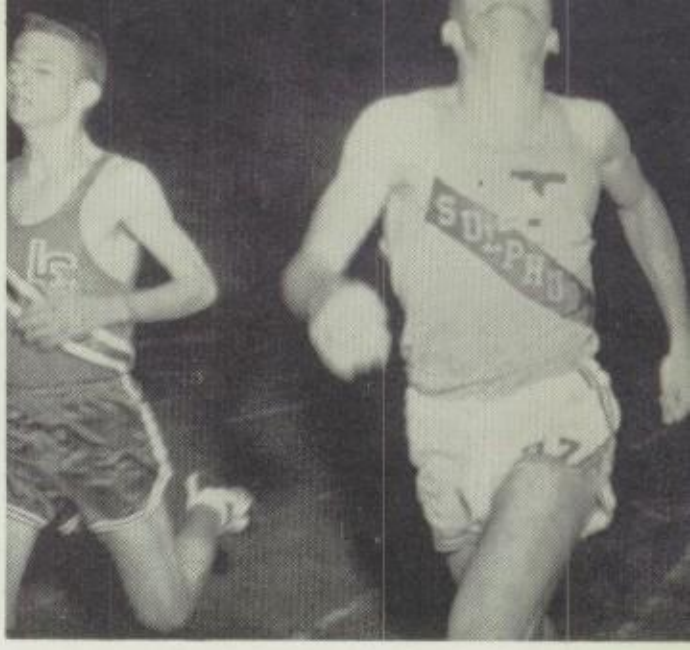
For the first time in the school's history Sulphur competed in a dual meet against Byrd High of Shreveport. Byrd will journey to Sulphur in 1957 for a return engagement.

The Tors lost to the later State Champs by a score of 108 to 80.

Our winners were:

880 run	Darrell Broussard	2:03
Pole Vault	Oliver Moss	11' 2"
Javelin	Paul Hynes	149' 9"
Hop Step and Jump	Troy Anderson	39' 9"
Broad Jump	Jack Howard	19'





GULF COAST TRACK MEET

Competing against the best in the state in the Gulf Coast Meet the Tors tied with LaGrange for 4th place. With three first place performances, one of which was a breath-taking leap of 11' 8" in the pole vault and a 2nd and 4th place. The Tore tallied 19 points. Performances were as follows:

Pole Vault	Oliver Moss	11' 8"	(new record)
880 run	Darrell Broussard		2:04.1
Javelin	Paul Hynes		168' 8"
High Hurdles	Harvey Nix		4th place
Broad Jump	Jimmy Ardoin		2nd place

PARISH TRACK MEET

LaGrange slipped by the Sulphur Tors in the 1956 Calcasieu Parish Track Meet by the tune of 73 1/3 to 63 2/3. Harvey Nix set a new parish record in the high hurdles by turning in a time of :15.6. Sulphur winners were:

880 run	Darrell Broussard	2:04.5
High Hurdles	Harvey Nix	:15.6
Low Hurdles	Harvey Nix	:21.2
Discus	Doug Lanier	125' 11½"
Javelin	Paul Hynes	160' 4"
Broad Jump	Jimmy Ardoin	21' 3"
Hop Step and Jump	Troy Anderson	42' 8½"

DISTRICT TRACK MEET

The Sulphur Tors ran third to LaGrange and Lake Charles in the District 2AAA track meet held by McNeese. This meet is held each year to determine which boys will go to state. The first two boys in each event qualify for the state meet.

Boys that qualified for Sulphur were Darrell Broussard, Harvey Nix, Jimmy Ardoin, Troy Anderson, Doug Lanier, Jack Howard, and Oliver Moss. Harvey Nix set a new district record. Winning times were:

880 run	Darrell Broussard		2:04
High Hurdles	Harvey Nix	(new record)	15:3
Broad Jump	Jimmy Ardoin		20' 4½"
Hop Step and Jump	Troy Anderson		41' 3"

STATE MEET

In the state track meet which was held by McNeese this year, Darrell Broussard was the only Sulphur gold medal winner. He maintained his undefeated record for 1956 and accepted an invitation to the meet of champions held each year in New Orleans.

880 run	Darrell Broussard	2:04.6

FUTURE FARMERS OF AMERICA

The Sulphur FFA's winning of the "National Best Chapter Award" can be attributed to many things. The award is based on civic and domestic work, civic cooperation, the progress of the chapter, and the progress of the boys. The Sulphur FFA for the year 56-57 has mastered all these things.

The chapter had judging teams that placed 1st in Dairy Judging and 2nd in Poultry Judging. Two state officers were from Sulphur High Chapter last year. Two Sulphur boys won the Governors Award for livestock production; another showed a Junior Champion Guernsey at the State Show in Baton Rouge.

The pride of the Sulphur High School FFA Chapter, the Parliamentary Law Team, jumped from 3rd place to 2nd place in the state contest, and everyone thinks they will win this year. In addition to these extracurricular activities the chapter has the most up-to-date farm in the state and one of the best in the South. The success of all of these enterprises may be attributed to the cooperation of the school board members, the principal, and the untiring work of the Advisor, Mr. J. D. Vallot.

Sulphur High is proud of its Debate Squad which has entered various speech and debate tournaments.

During the 1956-57 school term Jimmy Naremore and Larry Morgan won the Junior Men's Championship at Northwestern State College while the squad won second place Sweepstakes in the entire Junior Division. Jimmy Naremore won first in Radio and After Dinner Speaking and was voted Most Outstanding Debator of Natchitoches.

Jimmy Naremore, Larry Morgan, Johnny Johnson and Charles Souter went on to win the Southwest District Championship held at McNeese State College. Jimmy also placed first in extemporaneous speaking at McNeese.

Nedra Young, Larry Morgan, Jimmy Naremore, and Nancy Fuller won the honor of entering intra-state competition at the Tulane Speech and Debate Tournament at New Orleans because they won the most debates at the Southwestern Tournament.

FRESHMEN NOT INDEXED.

We lead a goofy life . . .

Whatcha making, Mammy?

Got something in your tooth, Sally?

King Frank.

A chip out of the old bag—potato chip, that is.

Anybody have a pin?!

Two cokes and a black eye.

Plenty to eat.

Oh, corn—shucks.

It could only happen at Sulphur High . . .

The winners and the workers that make possible these gifts.

Already for new Adventures!

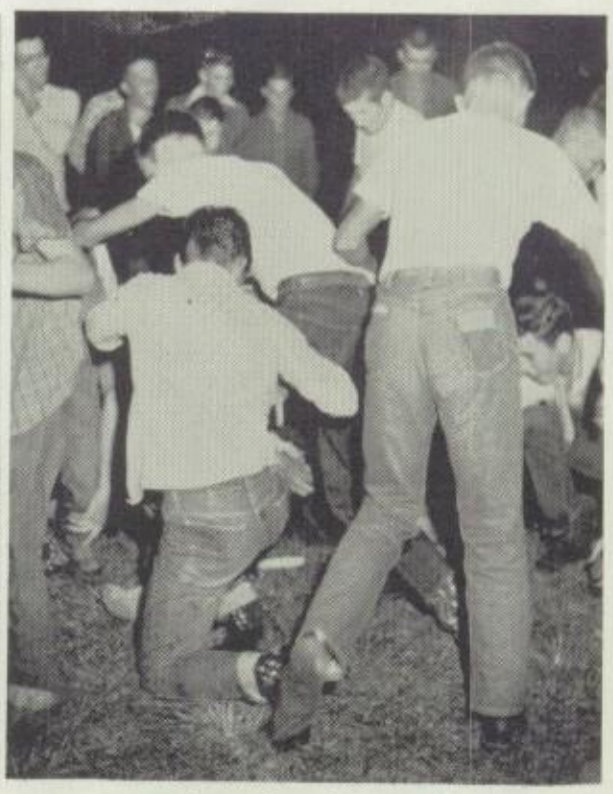
Listen to the teacher, girls!!

Having troubles??

Champagne—in 7-Up bottles??

Why so happy?

A dainty lass.



Greenhand Scramble.

So long . . . This is where we came in.

Miss Mayhew

I have really enjoyed being in your Speech Class. You were one of the Sweetest teachers that I have had, both as a teacher and as a friend.

I have also enjoyed working in the plays. But, there is one thing that I am deeply sorry of and that is the misunderstanding there was in the last play. I hope that you can forget and forgive all of us in this unfortunate incident.

As my last word <u>you are my favorite</u> teacher. [(now I will expect my "A")] (HA. HA.)

Good luck and best wishes to a swell friend and a good teacher.

John Stoddard (Sr. '57)

Mrs. Maxwell -

I hope you don't forget to come back next year because I would like very much to have you for a teacher again, because the way it looks I'll have to. By the way I hope you have made plans to make teaching your career. Do as you slide down the banister of life. Consider me a splinter in your career.

Good luck

Mrs Maxwell -

Well this year being almost at end, I would like to express my feelings. It would be quite hard to do as an paper but I have enjoyed knowing you very much. You have helped me decide to make speech teaching my career. I hope that I succeed in doing so + can enjoy my teaching as much as you seem to enjoy yours. Don't ever forget me + our run-in with Mr. Jeffries at Mineral. Maybe next year your interpretive readers will finale - better judge. == Good luck

Miss Maxwell,

It has been wonderful working in the plays and being in your class this year. This is one class I will always remember & hope you will too. Sure hope we will be able to see each other even after school is out. Hope that you will be back here as old Sr's next year.

If you should happen to have remember all of the times we have had. Remember how well you did with the plays and rally. It was real fun.

Miss Maxwell, I hope you future years with luck to you and, with Thanks for everything.

Best of luck always
Tony Thomas

Dear Miss Maxwell—

I have really enjoyed being in your speech class. I hope you are still here next year. We all had fun, for the most part, at the speech rally. I'd like to kick that little speech judge for you.

Good luck.

Jim Long
